2021-2022 Admits

FLORIDA STATE UNIVERSITY  
COLLEGE OF EDUCATION

## **Welcome to the College of Education!**

You are receiving this handbook because you are enrolled in a major that leads to initial educator certification. The College of Education (COE) provides accreditation oversight to all educator preparation programs at FSU, even those located in other Colleges, such as Fine Arts or Arts & Sciences.

Please take the time to carefully read through the following materials, as they include important information about what makes your major different than other majors across campus. There is a team of staff and faculty who are here to answer your questions and guide you along your pathway to becoming an educator or educational leader! I am happy that you have chosen a career that many of us in the COE have worked in for most of our lives. We think working with children in our P-12 schools is an amazing career and we hope you find it equally as satisfying.

Wishing you a wonderful academic year and Go Noles!

## What is Educator Preparation?

You are enrolled in a Florida state-approved initial teacher preparation program. In order for you to be eligible for an initial certification, the Florida Department of Education (FLDOE) requires the College of Education to carefully collect and closely monitor your academic progress and completion of specific milestones.

The FLDOE refers to students enrolled in initial certification programs as “candidates” or “teacher candidates”. If you see this language, know it is referring to you.

## Advising Resources

The College of Education provides a variety of advising resources to all students. The Office of Academic Services and Intern Support (OASIS), located on the second floor of the Stone Building in Suite 2301, provides central advising services and academic support. Students enrolled in a COE combined BS/MS pathway will receive additional academic support through the BS/MS Advisor. For more information about OASIS and contact information for all staff, please go to <https://education.fsu.edu/OASIS>.

### Curriculum Maps

A complete listing of all the required courses for your major is available on the COE website at <https://education.fsu.edu/educator-preparation>. These curriculum maps show the program's course sequence by term, the number of credit hours for each course, where university requirements are met, the number of field experience hours associated with the course, and courses in which Signature Assessments and Dispositions are assessed in courses throughout the program.

### Educator Preparation Milestones

All students enrolled in a Florida state-approved program must meet specific milestones throughout their program in order to graduate:

1. Complete all program courses with appropriate minimum grades
2. Demonstrate positive professional dispositions
3. Complete Signature Assessments at appropriate performance level
4. Complete Early Field Experiences at appropriate performance level
5. Pass all Florida Teacher Certification Exams (FTCE's)
6. Complete Student Teaching at appropriate performance level

The College of Education and your program coordinator will work collaboratively to help

you meet these important milestones. Students that are unable to meet these milestones will be required to change their major out of educator preparation.

### 1. Program Course Minimum Grades

Program	Undergraduate Courses
Art Education	B or better in all major coursework
Elementary Education	C or better in all major coursework
English Education	C+ or better in all major coursework
FSU-Teach	C- or better in all major coursework
Special Education	C or better in all major coursework
Social Science Education	<i>Social Science Content Courses: C- or better</i> <i>Major Courses: C or better</i>
Visual Disabilities Education	C- or better in all major coursework

Students must earn a grade of B or better (B- or lower is not accepted) in all graduate coursework taken while enrolled in the undergraduate portion of the combined BS/MS degree program. Otherwise, the course(s) must be repeated.

Student must earn a grade of C- or higher in all graduate-level courses taken while enrolled in the graduate portion of the combined BS/MS program. Credit hours for graduate courses graded below a C- will not apply toward the MS degree and must be repeated but are computed in the graduate GPA. A minimum cumulative FSU graduate GPA of 3.0 is required to maintain good academic standing and for graduate degree conferral.

### 2. Dispositions

Dispositions are defined as “habits of professional action and moral commitments that underlie an educator’s performance” (InTASC Model Core Teaching Standards, p. 6). You will be required to demonstrate positive professional dispositions in your courses and field experiences. The instructors in your educator preparation courses will evaluate your dispositions each semester in Via. You must demonstrate professional dispositions with an average score of 3.00 (Developing 2) across all courses each semester. During the semester prior to student teaching, you must demonstrate professional dispositions with an average score of 4.00 (Target) across all courses in that semester.

For more information about the Disposition Evaluation tool used by the COE, please visit

<https://education.fsu.edu/sites/g/files/upcbnu3146/files/Dispositions-Rubric-FINAL.pdf>.

### **Student Success Plans for Dispositions**

If a student does not maintain an average disposition score of 3.00 in all courses each semester or a 4.00 in the semester prior to Student Teaching, they will be placed on a Student Success Plan. Faculty may also place a student on a Student Success Plan if they have concerns during the semester. Student Success Plans will provide the student with comments on all scores below a 3.0, specific recommendations for improvement, and a timeline for meeting the requirements.

### **3. Signature Assessments**

Throughout the program, courses will include Signature Assessments that must be uploaded into Via. Signature Assessments have been identified by the College to assess your mastery of FLDOE outcome standards. FLDOE requires all state approved programs to assess individual teacher candidate performance throughout coursework, field experiences, and student teaching.

There are four types of Signature Assessments:

- FEAP Signature Assessments (All Programs)
- Reading Signature Assessments (Elementary Education, English Education, Special Education Teaching)
- ESOL Signature Assessments (Elementary Education, English Education, Special Education Teaching)
- Autism Signature Assessments (Special Education Teaching)

Standards-based rubrics will be used to evaluate Signature Assessments and there are minimum levels of performance associated with all Signature Assessments. Students who receive a rating below the associated minimum level of performance will need to revise the assignment and resubmit the Signature Assessment in Via during the course. A failing grade will be given in the course if a student cannot show mastery at the minimum level of performance by the end of the course or does not submit the Signature Assessment in Via.

### **FEAP Signature Assessments (All Programs)**

The FLDOE requires that all teacher education candidates demonstrate mastery of the Florida Educator Accomplished Practices (FEAPs), which are the state's core standards for effective educators. The FEAPs are organized around 6 areas, with a total of 37 indicators that must be assessed during your coursework and field work. There are 8 FEAP Signature Assessments (FSAs) that are embedded in your program. FSA 1-8 are

located in your various coursework.

*FSA Minimum Level of Performance:*

- FSA 1–8: Developing 2 for all FEAPs criteria

There are FSAs that also evaluate Florida Department of Education Reading Endorsement Competencies and/or ESOL Standards. Please refer to Appendix B to see the courses in which FSAs are assessed and the minimum performance levels for Reading and ESOL Standards in these assessments.

**Reading Signature Assessments (Elementary Education, English Education, Special Education, and Visual Disabilities)**

The FLDOE also requires that all teacher education candidates demonstrate mastery of Florida Reading Competencies that have been developed by Just Read, Florida. There are various Reading Signature Assessments (RSAs) embedded in your program. You will fall into one of the two following groups based on the program in which you are enrolled.

Visual Disabilities

All students must show mastery of Reading Competencies 1 & 2 if they are enrolled in Visual Disabilities. These students will learn to enhance literacy skills as they apply to their specialized field of instruction, as these fields are not considered to provide primary literacy instruction.

*RSA Minimum Level of Performance:*

- RSAs 1 – 4: Target for all Reading Endorsement Competency Criteria

Elementary Education, English Education, Special Education

All students enrolled in Elementary Education, English Education, Special Education must show mastery of Reading Competencies 1-5. Students in these programs will be eligible for a Reading Endorsement as part of their initial teacher education program. There are also ESOL standards that are assessed in specific RSAs.

*RSA Minimum Level of Performance:*

- RSAs 1-5: Target for all Reading Endorsement Competency criteria, Developing 2 for all ESOL Standards criteria
- RSA 6: Target for all Reading Endorsement Competency criteria and ESOL Standard criteria

Please see Appendix C to see in which courses RSAs are assessed.

### **ESOL Signature Assessments (Elementary, English Education, and Special Education)**

The FLDOE requires that specific teacher education candidates demonstrate mastery of Florida ESOL Standards. Mastery of these standards are measured through the use of ESOL Signature Assessments (ESAs).

ESAs are only applicable to ESOL Endorsed Programs, which includes Elementary Education, English, and Special Education. Students enrolled in these programs must show mastery of all ESOL standards to be eligible for an ESOL Endorsement as part of their initial teacher education program.

#### *ESA Minimum Level of Performance:*

- ESAs 1 -2: Developing 2 for all ESOL Standards Criteria

Please see Appendix D to see in which courses ESAs are assessed.

### **Autism Signature Assessments (Special Education)**

Students in the Special Education BS/MS pathway are required to show mastery of the Council of Exceptional Children's (CEC) Initial Preparation Standards for Developmental Disabilities and Autism Spectrum Disorder. Mastery of these standards are measured through Autism Signature Assessments (ASAs) embedded in coursework. Students are eligible for the Autism Endorsement as part of their initial teacher education program.

#### *ASA Minimum Level of Performance:*

- ASAs 1- 10: Target on all Standard criteria

Please see Appendix E to see in which courses ASAs are assessed.

### **Student Success Plans for Signature Assessments**

If a student has not met the minimum performance expectations for a Signature Assessment or has not submitted a Signature Assessment, they will be placed on a Student Success Plan. The Signature Assessment must be submitted and scored at the appropriate level by the end of the 7th week of classes in the semester following completion of the course. Once the student has successfully completed the Signature Assessment in Via, their grade may be changed to reflect the grade in the course. For students who cannot successfully remediate the Signature Assessment by the end of the 7th week of the semester, the instructor will keep the grade of "F". No student may enter Student Teaching without demonstrating in Via appropriate scores on all Signature Assessments.

#### **4. Early Field Placements and Evaluations**

Early field experiences provide an opportunity to participate in teaching activities in a classroom with a certified teacher. Instructors work with our Field Placement Coordinator in OASIS to provide a diversity of placements, supportive supervision, and an experience that will challenge and help re-affirm the choice of profession. School districts have taken precautionary measures to ensure the security and safety of their students. To gain entry into schools and to comply with the Jessica Lunsford Act, you must:

- Complete a Level II background screening (fingerprinting). Application forms must be obtained from OASIS in 2301 Stone building and the screening is done at Leon County Schools. Cost of the screening and red badge is \$95 and is effective for five years.
- Secure and provide proof of medical insurance

It is strongly recommended that you purchase professional liability insurance. For more information about professional liability insurance, please visit <https://education.fsu.edu/student-resources/student-academic-services-oasis/classroom-field-experience/background-clearance-level-ii> and click on "Clearance Procedures for Field Experience."

Students will be evaluated on their performance in field experiences once per academic year. These evaluations will provide students with areas of strengths and areas for improvement in their teaching practice. These evaluations will assist students in preparing for their student teaching experience in their final semester.

For more information about these field experience requirements, please contact Tala Hagan in OASIS at [thagan@fsu.edu](mailto:thagan@fsu.edu). The hours for early field experiences vary based upon your major and semester.

Please see the Curriculum Maps for the number of hours students need to complete per semester.

#### **5. Florida Teacher Certification Examinations (FTCE)**

Section 1004.04, Florida Statutes requires that all candidates pass all three sections of the Florida Teacher Certification Examinations in order to be endorsed as a program completer. The General Knowledge exam is taken prior to admission to your program. The other two tests you must take are the Professional Education Examination and the Subject Area Examination specific to your program. These must be taken prior to student teaching.

### **Exam Preparation**

Test preparation resources provided by the state of Florida can be found at the following link: <http://www.fl.nesinc.com/resources.asp>. In addition, the Office of Academic Services & Intern Support (OASIS) maintains a collection of study guides for all Subject Area Exams and the Professional Education Examination. Currently enrolled FSU students may borrow two study guides at a time for up to 7 days. OASIS is located in the Stone Building, Room 2301. Our office hours are 8:00 AM – 5:00 PM. For more information on our test preparation resources, please visit <https://education.fsu.edu/test-prep>.

### **Exam Registration**

To register, please visit the [FTCE website](#). When registering, be sure to request that your scores be sent to Florida State University. You must make this request at the time of registration. OASIS will also request your official exam results directly from the testing, but this will take an additional 5-7 days from when the test scores are released.

Scores for the Professional Education Examination and all Subject Area Examinations that are multiple choice may take approximately 2-3 weeks to be reported to the university. Subject areas that have subtests with written essay components may take approximately 4-6 weeks for scores to be reported. It is essential that you take the exam in a timely manner to meet the deadline for passing scores for student teaching for your program.

No teacher candidate may begin student teaching without official passing scores on the appropriate Subject Area Examination or the Professional Education Examination by the deadline. **There are no exceptions to this policy.**

### **Deadlines for Verifying Passing Scores:**

The Office of Academic Services and Intern Support (OASIS) is responsible for verifying official Subject Area and Professional Education Examination scores in the score reporting system.

Please note that unofficial exam score reports or screen shots of exam score reports are not acceptable. In order to finalize their placements for student teaching, official passing scores must be verified by the deadlines outlined in the table below. Failure to meet the final deadlines will result in a delay in student teaching until the following semester.

## **Student Success Plans for Florida Teacher Certification Examinations**

If a student does not pass one of the required Florida Teacher Certification Examinations, they will be placed on a Student Success Plan and provided with test preparation prior to their next attempt on the exam. Student Success Plans will provide the student with competency and scaled scores that need improving, specific recommendations for improvement, and a timeline for meeting the requirements.

## **6. Student Teaching**

Student Teaching is the culminating experience in Florida State University's Educator Preparation Program. During this experience, you will be given an opportunity to practice and demonstrate the various skills that you have learned throughout your educator preparation program. For many students, this is the most memorable part of their experience at FSU.

In order to be admitted to Student Teaching, all of the appropriate milestones must be met. These milestones include but are not limited to, completion of all coursework and successful completion of all Florida Teacher Certification Exams (FTCEs) prior to the beginning of the student teaching semester. If you are student teaching in the Spring semester, FSU must receive passing FTCE scores by November 1<sup>st</sup> of the prior Fall semester. If you are student teaching in the Fall semester, FSU must receive passing scores by July 1<sup>st</sup> of the prior Summer semester.

Meredith Higgins is the Director of Student Teaching and will guide you through the process beginning with the student teaching application. Your program advisor or faculty will let you know when it is time to apply to student teaching. You can choose the district in which you student teach in the State of Florida. Mrs. Higgins will provide you with a list of approved school districts to choose from. Once you have chosen your school district, Mrs. Higgins and your Program Leader will determine the most appropriate placement for you. COE policy requires all student teaching placements to take place in the State of Florida within an approved school district. Out of State placements will not be considered.

You will be assigned a University Supervisor who will mentor you throughout your student teaching experience. This University Supervisor will observe your teaching and evaluate your performance several times throughout the semester. These evaluations will provide you with areas of strengths and areas for improvement in your teaching practice. For more information about the student teaching experience, please contact Meredith Higgins ([mhiggins@fsu.edu](mailto:mhiggins@fsu.edu)).

## **Use of Via**

Completion of a Florida state approved educator preparation program requires students to demonstrate mastery of the required standards for your program. In order to track and collect data on the Signature Assessments, FSU has adopted Via. Via will be used for you to upload your assessments as you progress throughout your program.

A Via membership is required for successful completion of your state approved teacher preparation program. Your membership is good for five years and allows you to retain evidence of your demonstration of the standards required for a state approved program. The Via membership costs \$139.00 and must be purchased within the first 30 days of the first semester in your program. Failure to do so will result in a registration hold.

An email will be sent to you from Tonya Jones in the second week of classes providing your username and instructions for purchasing your account. If you have any questions about program requirements for Via you may contact Tonya Jones at [tjones7@fsu.edu](mailto:tjones7@fsu.edu) or by phone at 850-644-1627.

## **FSU Academic Honor Policy**

It is important to remember that the FSU Academic Honor Policy applies to both your coursework and field work. We recommend that you become familiar with the Academic Honor Policy at <http://fda.fsu.edu/Academic-Resources/Academic-Honor-Policy>

Forging field experience logs, collaborating on assignments that are not group work, reusing assignments in classes without instructor permission, and fabricating data are all violations of the FSU Academic Honor Policy.

Please be aware that using social media to collaborate on and share course exams or assignments with other students that are not identified by the course instructor as group work is a violation of the FSU Academic Honor Policy. If you have any questions, contact your instructor to ask for clarification.

## **Student Grievance Process**

If you are experiencing issues in any of your classes, it is important to attempt to resolve these issues through the proper processes. Appendix F includes the general student grievance process at FSU.

The above process does not cover grade appeals, which follow a separate, time sensitive process. For more information, go to <https://fda.fsu.edu/academic-resources/academic->

[integrity-and-grievances/general-academic-appeals-student-grievances.](#)

## **Bullying and Harassment**

The FSU Student Code of Conduct forbids FSU students from engaging in face to face or on-line harassment and bullying.

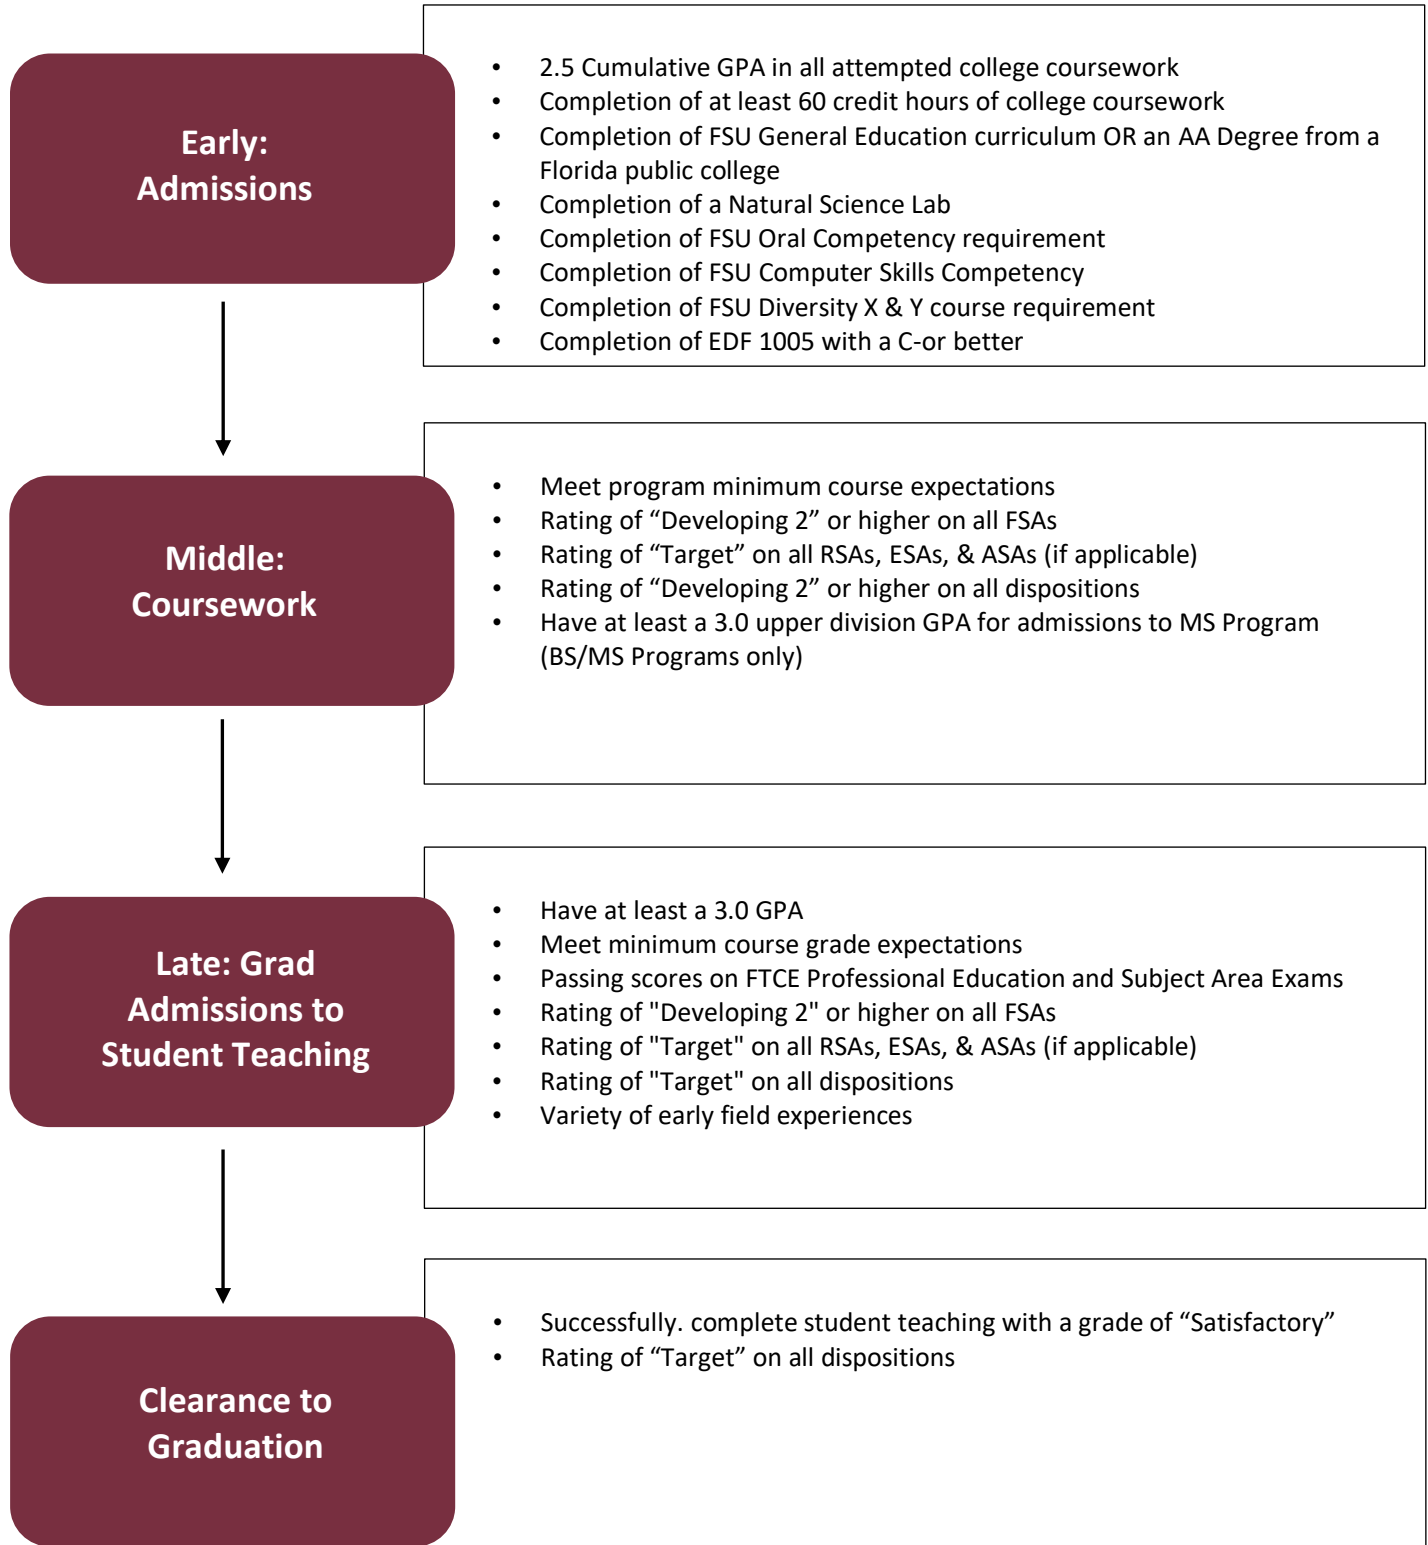

“This policy prohibits any form of harassment on the basis of actual or perceived membership in a protected class, by any member or group of the campus community, which unreasonably interferes with an individual’s work or academic environment.

This environment may be created by verbal, written, graphic, threatening and/or physical conduct that is sufficiently severe, persistent, or pervasive so as to interfere with, limit, or deny the ability of an individual to participate in or benefit from educational programs or activities or employment access, benefits, or opportunities. Merely offensive conduct and/or harassment of a generic nature not on the basis of membership in a protected class may not result in a violation of this policy but may be addressed through education and/or other resolution methods.”

As a future educator, it is essential that you do not engage in any behaviors that could be perceived as bullying or harassment, including online behaviors. Any reported instances will be sent directly to the Dean of Students as a violation of the FSU Student Code of Conduct and will be documented as part of the Dispositional Evaluation process. Documented instances of harassment or bullying may result in program dismissal.
