FSU | TEACH

Students in the following STEM majors are eligible for the Certificate:

- Applied Mathematics
- Biochemistry
- Biological Science
- Biomathematics
- Chemical Science
- Chemistry
- Chemistry (Materials)
- Computational Biology (Biology)
- Computational Biology (Computer science)
- Computational Science
- Computer Programming and Applications BA
- Computer Science, BA
- Computer Science, BS
- Economics
- Engineering (Biomedical)
- Engineering (Chemical)
- Engineering (Civil)
- Engineering (Computer)
- Engineering (Electrical)
- Engineering (Industrial)
- Engineering (Mechanical)
- Environment & Society
- Environmental Chemistry
- Environmental Science
- Environmental Science/Policy
- Environment and Society
- Exercise Physiology
- Food and Nutrition Science
- Geology
- Interdisciplinary Medical Sciences: Clinical Professions
- Interdisciplinary Medical Sciences: Health Management, Policy and Information
- Interdisciplinary Medical Sciences: Community Patient Care
- Management Information Systems
- Materials Chemistry
- Mathematics
- Meteorology
- (Neuroscience) Behavioral Neuroscience
- (Neuroscience) Cell and Molecular Neuroscience
- Nursing
- Physical Sciences
- Physics
- Physics & Astrophysics
- Statistics
